

Stripendipity

One or Two Days / Process Oriented
Confident Beginner-Advanced

Manipulate stripes and use angles to create movement, drama, texture and dimension in your quilts. Intuitive, inventive, bias-friendly, bias tube strip piecing technique uses no paper, templates or waste. Work in all angles and scales to create components for quilts and garments. Rita encourages you to tweak your brain, step out of the box and think in new ways about piecing patterns. Lots of eye candy and samples are provided. This technique is a must for any quilting toolbox.
